

Home

Losing a loved one is incredibly difficult. Sometimes words aren't enough to help. That's why Memory Light Netherlands developed unique products to support bereavement care.

ML Relic

Our bereavement Memory Light Relic helps those who want to express their heart felt sympathy with an everlasting gift of light. To comfort people in time of emotional pain.

- Made of high quality and durable materials
- Compartment for holding ashes
- Also suitable for battery operated candles
- Can be personalized by engraving the name of the beloved one
- Already thousands sold in Europe
- Extra flow of funds

ML dispenser

The Memory Light Candle dispenser is a perfect concept of professional cemetery service. Visitors can light a candle to remember their loved ones. A highly appreciated asset at more than 700 cemeteries in Europe.

- Made of high quality materials and weather resistant
- Ten year proven technology
- Violent proof, secured money safe
- A long live span and hardly any maintenance
- Price flexibility, insert money display
- Registration system
- Rechargeable battery
- Minimum use of energy
- Candles are suitable for outdoor burning
- Candle including lighter
- Return of the used candle-holder for recycling
- Extra flow of funds

Partner program

Join our partner program and start your own business. You can offer a service which is highly appreciated at every cemetery and crematory. We give full technical support and have an 'on site' information program. Memory Light shares her knowledge and offers you extra earnings. Respond by the attached form and we will contact you personally.
